

Vice-Chancellor's Message

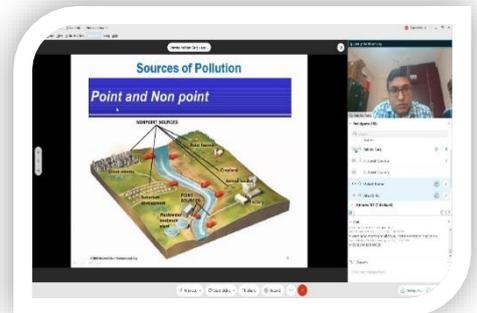

It's a matter of pride & pleasure to share that the RPCAU, Pusa has once again ranked within top ten universities by famous magazine "THE KNOWLEDGE REVIEW" as published in its September 2020 issue. This corroborate the recent India Today group survey of Top Educational Institution's All India Ranking findings where this University was ranked under top ten Universities of the country. Fragrance of success stories of the University spreading across the country and attracting students & faculties making it truly an important Agricultural Institution at National level. This happened only by the untiring efforts of university's students, faculties and staffs. We are ready to welcome fresher in the university for their holistic development and shaping their excellent career. We also welcome back the PG and Ph.D. students in the campus after a long break due to COVID-19 pandemic. It's time to sowing of Rabi crop and university is extending all possible material & knowledge support to the farmers for enhancing their profitability. At the end I wish a very *Happy and joyful Diwali and Chhath Puja* to all the faculties, staff and students.

Volume-1, Issue-5
November, 2020
